Annal

Lord Rathgar!

I'm sorry for making you wait.

I was worried. This swamp has a weird vibe.

Sorry, I had to sneak out. so it took some time

Anyway, is your cheek ok?

I'm sorry about what he did to you..

It's...alright

Lord Rathgar...

Ahem! Hm!

We haven't got all day

But we met just now!

We don't know when he might return

Raul You keep pulling this. Are you jealous?

Oh..

Wuh?a this?

What is it?

This black spot.

It's all over the ground.

Wee. something burnt?

Anna. let me see.

This..

This is a trace of a curse spell

!

You mean...

It's a spell where a creature was killed by a curse spell.

Considering the size... a rat maybe? A dog at best.

I have never seen a clear trace like this though.

The spell must have been pretty lavish...

rustle

.....

Let's... go back. Lord Zerhyer.

Anna, are you scared? I'm here. There is nothing to worry about.

.....

Although, we should change our future meeting spot.

Mmm...

I hope it's safe to come out.

It's alright. I don't think there are anyone who will recognize you two.
